Pictures start at 12:15 pm

Room 1	Room 2
Any make up pictures or group pictures	Any make up pictures or group pictures

**** Tights should be layered if you have multiple tights. If you only have 2 dances, put the tights for your last dance on first with your first dance on top for an easy change. If you have multiple tight changes, it is easiest to keep your tan tights on and pull any other tights over top. Lyrical/Contemporary wears no tights. ****
